2013-2014 Alcoholic Beverage License

Reminder to all licensees. Your 2013-2014 Alcoholic Beverage License must be posted by May 1, 2013.

Benefits of a Control Jurisdiction

Alcohol is a very special and sometimes controversial commercial product that deserves particular care. Montgomery County is proud to be one (1) of the seventeen (17) control jurisdictions in the United States. Control Jurisdictions work to achieve the delicate balance of providing high-quality products and services to customers, improving the overall safety of communities through education, regulation and enforcement and generate revenue to transfer to the General Fund to pay for important resident services. To view all FAQ's on control jurisdictions, visit www.montgomerycountymd.gov/dlc.

Spring is in the Air! Outdoor Cafe Information

To obtain an application for an outdoor cafe, please visit www.montgomerycountymd.gov/dlc and click on applications, or call the Licensing Office at 240-777-1999.

Outdoor Cafe Checklist

Any license may operate an outdoor café as part of the licensed premises only if the outdoor café is:

- Contiguous to the licensed premises, enclosed in a clearly delineated area, and surrounded by a continuous barrier at least 36 inches high at its lowest point of ingress and egress; and neither on any public property nor on a public right-of-way, without the express written approval of the appropriate State, County or local governmental authority.
- On the same side of the street and extends no more than a combined total of fifty (50) feet beyond the width of the store front of the licensed premises in either direction. "Store front" is defined as that part of the outer wall of any premises which is contiguous to a public sidewalk or right-of-way.
- Approved by the Board of License Commissioners. The Board may modify, suspend, or revoke the outdoor café privilege.
- In addition, the distance between the store front of the licensed premises and the closest point of the café area must be no more than twenty-five (25) feet; and enclosed in a clearly defined area, and surrounded by a continuous barrier at least 36 inches high at its lowest point with controlled point(s) of entrance and exit.
- If the café extends beyond the width of the store front of the licensed premises, the licensee must obtain written permission to operate the extended portion of the café, from all adjoining property owners within the extended café area.
- Table service must be available at Outdoor Café's.

Safety Alliance Network

The Safety Alliance collaborates to form an informational network of regulatory and code compliance agencies concerned with the impact of dining, entertainment and special events on public health, safety and quality of life. Throughout this fiscal year the team has brought in expert panelists to focus on topics such as promoters, over-service, gambling, outdoor cafes, special events, and noise control. To be part of the Safety Alliance team, or to get information about upcoming meetings, please email dlc@montgomerycountymd.gov.

Student Video Contest Awards Ceremony

The 2013 Awards Ceremony for the student videos, a contest focusing on teen alcohol prevention, will take place on April 25, 2013 at 8:30 AM at the Montgomery County Police Department Headquarters.

This years contest brought in 69 entries from 6 middle schools and 19 entries from 12 high schools, for a total of 88 entered videos, the most ever in project history.

For more information, contact Meg Baker at m.e.baker@comcast.net or visit www.montgomerycountymd.gov/KIS.

Prevention Works!

The percentage of adolescents ages 12 to 17 who perceived great risk from having five or more alcoholic drinks once or twice a week increased from 38.2 percent in 2002 to 40.7 percent in 2011. During the same period, the rate of binge alcohol use among adolescents decreased from 10.7 to 7.4 percent. Source: SAMHSA

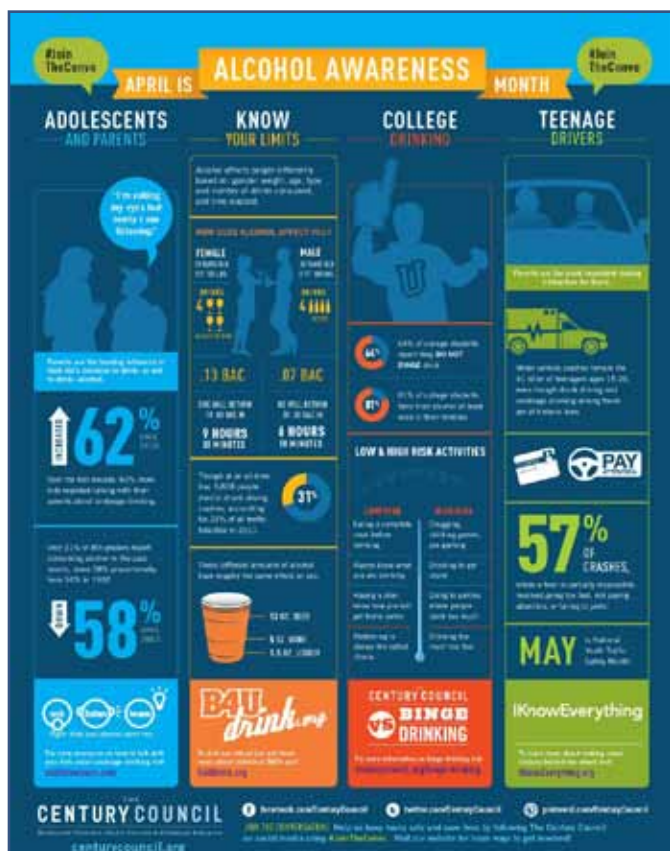

Parents: Talk to your teens about drinking before they start college.

Join Together, April 1, 2013. Parents who discuss drinking with their teens before they start college can influence their children's drinking behavior once they are at school, a new study suggests.

A parental talk can reduce the chances that light drinkers will become heavier drinkers, and increase the odds that teens who already drink heavily will reduce their drinking or stop, Time.com reports.

Effective strategies can include discussing why some teens drink and others don't, and the potential dangers of drinking too much, the article notes. To read the full article, click [here](#).
